

EAGLES  
FLIGHT.

*An Experiential Learning Program by Eagles Flight Asia*

Attendees will act as employees of The Coral Banks Construction Company. Event attendees will be challenged to construct a perfectly engineered bridge to span and protect a delicate ecosystem.

It's a huge project that has to conform to rigorous standards – and every minute counts! While individual roles are crucial in this experience, attendees will also need to play their part in the larger team-of-teams. Their sense of accomplishment and the valuable lessons learned will integrate well into everyday working relationships and accelerate the pursuit of goals back on the job.

### **The Outcome:**

While we're big on fun, we also know that your event needs to make a real impact. Here are just a few of the things that attendees will walk away confidently able to do:

- Build unanimous focus on clearly defined goals
- Harness the power of team spirit and unity
- Collaborate productively
- Share resources, assign tasks, and maintain quality standards
- Communicate effectively and frequently
